PROPERTY DESCRIPTION

The property description goes here. With each property you have the ability to upload 27 photos. The Google map feature also incorporates satellite and hybrid views. Click the map property link on the left to see this work. You can also upload plat maps and disclosures as well as add virtual tours.

Showing feedback is another feature that comes with your Real Pro System. It is easy to request feedback by email from the agent that views your listing. When a showing agent receives your request, they will be taken to a page to rate your listing. [See sample.](#)

Once the showing agent rates the property you can send your seller a report of the feedback. [Click here](#) to review sample report.
